*This portal is also how you access the membership directory!

ONCE YOU'VE LOGGED ON...

- Set up new recurring payments from the Donate box in the **My Financial Information** section of your account page.
- Be sure to mark your Annual Fund Donation with the **AA2020 Annual Fund '20-'21/5781** option.
- Set the donation amount (and remember, at \$18 or \$18,000 your donation will be part of the sacred work of keeping our doors open wide!)
- Specify the number of payments in the **Pay this Amount** drop down menu. You will be able to set the day of the month that it will be debited in the **Starting** drop down menu that will then appear.

* Note: before setting up the recurring payment, you must set up a credit card in the [My Payments](#) box in the same section. If you already have recurring payments for the Annual Fund, you can edit them in the [My Recurring Payments](#) box in the [My Financial Information](#) section.
